

**The My HealtheVet Re-Design Team is now seeking your suggestions
to improve/enhance the
My HealtheVet & Secure Messaging
Administrative Portals**

Do you have suggestions on how the My HealtheVet and/or Secure Messaging Administrative portal(s) can be improved, designed so they are easier to use, more intuitive...? If so, the My HealtheVet Re-Design Team wants to know! Please submit your suggestion(s) by accessing the round survey tool below or by visiting the [My HealtheVet Re-Design page](#) located on the My HealtheVet Product website.

All My HealtheVet Coordinators, Champions and those who use the Administrative portals are invited to share their ideas/suggestions with the My HealtheVet Re-Design Team via the survey tool. We are grateful for all input and will give each submission due consideration.

Please share with others who may wish to share their suggestions/ideas on improving the portals.
Thank you.

Please note: This process should take between 2-10 minutes depending on the number of suggestions being submitted.
